

Ermanno Simonutti
Vice President, Products & Marketing

Ermanno Simonutti has held various roles of increasing responsibility in engineering, product management and business unit management throughout a career with ESCO that spans two decades. Ermanno's most recent role as of 2013 was as Managing Director in Europe, where he led all functions in the region, including sales, distribution, operations and functional support. During this time, Ermanno expanded market share of our core products and successfully integrated key regional businesses from the Commonwealth of Independent States and the Middle East. Ermanno joined the senior leadership team in 2017 as Vice President of Products & Marketing to provide strategic oversight of ESCO's Products, Engineering and Marketing organizations.
