

Todd Abel
Vice President, Finance & Accounting

As Vice President of Finance & Accounting, Todd has led many enterprise projects having oversight of ESCO's global and operations finance, accounting, financial planning and analysis. In previous roles with the company, Todd was promoted to Vice President of Accounting after serving two years as Vice President of Finance to manage operational finance for ESCO's then newly created Construction & Industrial Division. Todd brings more than a decade of experience in a similar role at The Greenbrier Companies. His increasing financial and business leadership experience at ESCO have resulted in several substantial process improvements that have positioned our company for strong financial success worldwide.
