## **ESCO Corporation Adds a New Dealer in Australia**

*Stonetec Industrial Supplies to distribute ESCO products in Tasmania*

**Brisbane, Australia**—ESCO Corporation (USA), a global designer, manufacturer and provider of highly engineered wear parts and replacement products used in mining and infrastructure development, has appointed Stonetec Industrial Supplies Pty Ltd, a leading local supplier of mining and construction equipment, as its distributor in Tasmania. Located in Hobart, Stonetec Industrial Supplies is well positioned to serve ESCO's customers in this important region.

"We are very excited to have Stonetec Industrial Supplies as a partner in Tasmania," said Jeff Kershaw, Managing Director for Asia Pacific operations. "With over 30 years of experience in the mining and construction industry, the Stonetec team is known for its outstanding product knowledge and superior customer service. They are a key addition to ESCO's global network of distributors in Australia."

Stonetec will offer a complete range of ESCO Products including SV2® and Ultralok® ground engaging tools, Universal Wear Solutions and ESCO blades following expiration of ESCO's license agreement with Bradken on June 30, 2011.
