

ESCO Product Promotions

June 2009

Dear ESCO Customer:

ESCO is pleased to announce special pricing and increased availability for 3.00" and above cast **Hi-Life[®] Hoist and Drag Chain**.

ESCO Hi-Life II Drag Chain features sculpted wear rails and increased contact area for long life and durability. ESCO Hi-Life Hoist Chain is designed specifically for hoist applications and features bushed stud end links as standard for maximum performance. Cast in tough ESCO alloys ensures maximum strength and reliability.

Dragline customers around the world rely on ESCO dragline rigging for even the most demanding applications!
